

MADE IN THE USA

The Next Generation of Lighted Ear Curettes™

ClearLook® Lighted Ear Curette™

The faster, easier, safer way to remove cerumen

FEATURES

- Designed for less obstructed view
- Secure finger placement is outside the line of sight
- Unique handle design promotes natural, comfortable grip
- Reference markers
- Uses both light and magnification
- Single-use to prevent cross-contamination

BENEFITS

- Accurate visualization of the ear canal
- Enhances visualization and efficiency
- Eliminates need for "three hands"
- Improves patient comfort and satisfaction
- Can dramatically shorten procedure time

Premium Performance in Your Hands

The Bionix ClearLook Lighted Ear Curette is designed to be a better, safer way for healthcare practitioners to remove ear wax/cerumen and foreign bodies. This new medical device offers enhanced visibility and control for safe, effective procedures.

Rx ONLY

Refer to the package insert supplied with product for specific information on indications for use, contraindications, warnings, and precautions.
