

**General
+Healthcare**

Custom Carafes.

Promote your facility
with every sip.

Get your facility's name out there with a useful gift.

As healthcare becomes more competitive, it's important to keep your facility's name visible. Custom giveaways that speak to patients will have the best chance of being used over and over, exposing your brand and keeping it fresh in their minds. Our custom carafes with your logo and design are the perfect high-quality giveaway on a budget.

- **Lid with hinge doors locks in place** to facilitate straw, pouring and drinking.
- Double-wall thermal design **keeps liquids cold without sweating.**
- **Grab-and-go** handle.
- **Dishwasher safe** up to 165° F.
- In-mold labeling technology produces a high-quality, **photo-like image that won't scratch off or fade.**
- Rugged, **BPA-free plastic.**
- Available **with or without gradations** (oz. and ml).

For Kids:

Sip, sip hooray!
Make their hospital experience less scary.

At Trade Shows:

Make your trade show a showstopper.
Create buzz for your booth.

You design it. We'll make it. They'll love it.

Custom carafes take your brand everywhere.

How to order your custom carafes:

Step 1. (1-2 Weeks)

- Customer provides custom artwork, desired stock carafe and their preferred lid and handle colors. Delivered to Product Manager by the Sales Rep
- Depending on the stock carafe chosen, the Manufacturer's respective artwork team provides a mockup of the custom carafe
- A quote is provided by the Product Manager based on the mockup and the Customer's anticipated annual volume, The MOQ and approximate lead time are also included
 - A sample is provided for any Medline manufactured carafes

Step 2. (1-2 Weeks)

- Customer and Rep determine if any changes need made to the mockup
 - If necessary, the changes are made
- Customer and Rep come to an agreement on price based on the provided quote
- Customer and Rep fill out a Priority One agreement and provide approval for the desired custom carafe by signing the artwork
- A closing is submitted by the Product Manager
- A summary is provided by Dynacor to the Rep

Step 3. (4-6 Weeks)

- New item number is created
- Pricing is loaded by the Product Manager
- Rep submits the agreed upon demand
- Product arrives at the branch for stocked items or delivered to Customers for ship-and-bill items
