

EvenCare® G2™ Blood Glucose Monitoring System

Simplified diabetes management

Advanced technology makes it easier to care for residents with diabetes.

Easy-to-use

Voice assistance guides you through the testing process and provides you with your results.

Auto code system

Minimizes errors and inaccurate results.

Fast test time

Results in 6 seconds.

Small sample size

Small blood requirement, only 1.0uL, means less discomfort.

Alternate site testing

Option to test on the forearm, palm or fingertips.

Memory option

Stores 300 results and can provide 7-, 14- and 30-day averaging.

With voice guidance
"103 mg/dL"
