Dear Ms. Holland:

It is our determination that the Medicare HCPCS code to use to bill the four Durable Medical Equipment Medicare Administrative Contractors (DME MACs) for the products listed above is:

**E0190 - POSITIONING CUSHION/PILLOW/WEDGE, ANY SHAPE OR SIZE,  
INCLUDES ALL COMPONENTS AND ACCESSORIES**

This decision applies to the application that we received on September 10, 2010. If information submitted in that application has changed or were to change, it could impact our decision. Therefore, a new application would need to be submitted for HCPCS coding verification review. This coding decision will be available within ten (10) working days on the Durable Medical Equipment Coding System (DMECS), which is located on the PDAC web site, [www.dmepdac.com](http://www.dmepdac.com). Please take the time to verify that this coding decision is correctly reflected in DMECS.

The assignment of a HCPCS code to these products is not an approval or endorsement of the products by Medicare or Noridian Administrative Services, LLC; nor does it imply or guarantee claim reimbursement or coverage. If you have questions about claim coverage or reimbursement, please contact the DME MAC for your jurisdiction.

If you disagree with this decision, you may request a reconsideration within 45 days of the date of this letter. To request a reconsideration, complete the Reconsideration Request

form, which can be found on our PDAC web site at [www.dmepdac.com](http://www.dmepdac.com) under the HCPCS Review tab. If your request for a reconsideration is made after the 45-day time frame, we will treat it as a coding verification review request and require a new application and documentation to support the request.

If you have any questions, please contact the Pricing, Data Analysis, and Coding (PDAC) Contact Center at the address listed above or by telephone at (877) 735-1326. The Contact Center is open Monday through Friday from 8:30 a.m. to 4 p.m. CT.
