Re: Medline Pressure Reduction 2" Gel Foam Cushion (Models MSCPRC21616,  
MSCPRC21816, MSCPRC21818, MSCPRC22016)

Dear Mr. Shapiro:

This letter is in response to your recent request for an updated HCPCS coding verification letter reflecting the product name change for the above listed product(s) from the 2" Pressure Reduction Gel Foam Cushion (Models MSCPRC21616, MSCPRC21816, MSCPRC21818, MSCPRC22016) to the Medline Pressure Reduction 2" Gel Foam Cushion (Models MSCPRC21616, MSCPRC21816, MSCPRC21818, MSCPRC22016). This product was assigned HCPCS code E2601 on December 19, 2006.

This letter is in response to your recent inquiry for coding verification of the above listed product(s) manufactured and/or distributed by your company. The Statistical Analysis Durable Medical Equipment Regional Carrier (SADMERC) has reviewed the documentation and information submitted for HCPCS Coding. The SADMERC conducts reviews of products to determine the correct HCPCS code(s) of DMEPOS product(s) for Medicare billing.

It is our determination that the Medicare HCPCS code(s) to bill the four Durable Medical Equipment Regional Carriers (DMERCs) is/are:

**E2601 General use wheelchair seat cushion, width less than 22 inches, any depth.**

This HCPCS coding decision applies to the submitted product(s) as presented to and reviewed by the SADMERC. Any modifications to the product(s) could change the HCPCS code and would need to be reviewed for coding verification. The assignment of a HCPCS code to the product(s) should in no way be construed as an approval or endorsement of the product(s) by SADMERC or Medicare, nor does it imply or guarantee claim reimbursement or coverage. For questions regarding claim coverage or reimbursement please contact your regional DMERC.

The SADMERC will provide a re-review if the request is made within 45 days of the date of this letter and additional documentation is provided supporting the request. If a request for a re-review is made after 45 days, the request is treated as a new Coding Verification Review and a complete application must be submitted along with the additional documentation supporting the request.

Should you have any questions regarding this decision, please contact me at the address below or by telephone at (803) 763-7373.
