

# Patient Apparel

Reusable textiles for every age and stage of care.

# Designed for a feel-good experience

Patient apparel matters. As a direct point of contact between you and the patients you care for, textiles are one of the most personal ways you can create a positive experience. From premium gowns to robes and slippers, our complete suite of apparel adds a special touch.

- **Innovative, high-quality fabrics** stand up to industrial laundering, yet feel soft to the touch
- **Generous fits and secure closures** ensure patient comfort while allowing full access for clinicians
- **Soothing color palettes and dynamic prints** help patients feel at ease
- **Extensive collection designed for every area of care** with patient wellness in mind
- **Customization options** allow you to create a unique look and feel that reflects your brand
- **Lower units of measure available** (LUM) for smaller offices and facilities—great when inventory space is limited (see pages 69–71)

# Comfort Wear

## Feel at home in the hospital

Outfitting patients in a comfortable gown is a given for patient satisfaction, but to create a memorable and positive experience, layering on little comforts goes a long way.

Touchably soft terry robes, pajama pants and cozy slippers create a home-like feel. Best of all, they're easy to care for and stand up to industrial laundering.

### Luxe feel

Premium fabrics and special trim add a touch of luxury and comfort, which can make a big impact on patient satisfaction.

### Generous sizing

Designs are generously cut to fit most patients to help simplify the sizing you need on hand.

### Easy care

Comfort wear feels elevated, but is surprisingly easy to process and launder, looking good wash after wash.

# Adult Pajama Pants

# Behavioral Health

## Sensitive to safety needs

With a growing need for behavioral health care, outfitting patients with the right apparel is critical.

We worked closely with our clinical partners to develop a behavioral health collection specifically designed for comfort while safeguarding patients with built-in features—so you can care with confidence.

- Complete line of patient apparel with reduced risk
- Market leader in promoting patient safety

### Smart details

Hemmed neckline, interior sewn elastic strips and breakaway sleeves and shorts help reduce ligature concerns.

### Friendly

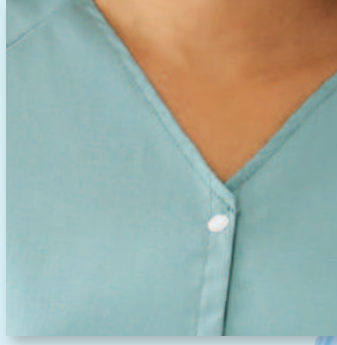

Plastic snaps are used instead of metal snaps or ties to reduce risk of patient injury.

### In plain sight

No pockets help reduce the risk of patients concealing potentially harmful objects.

**Surged neckline** has a smooth, finished edge to minimize potential injury or discomfort.

**Plastic snaps on IV sleeve** help ensure safe and easy access.

**Color-coded back tag** for sorting and easy patient identification.

**Elastic strips and outside snaps** available for easy breakaway.

## Big comfort for little patients

Make hospital stays a lot more comfortable for kids —and their parents.

Sized and styled for a comfortable fit, our gowns are designed with soft fabrics and fun patterns that let kids feel like kids. Just like our grown-up apparel, our pediatric textiles are laundry-friendly and make it easy for caregivers to deliver the care little patients need to feel better.

### Cozy

Soft fabrics feel good and reassure parents that their kids are in caring hands.

### Friendly

Playful prints and patterns offer kids an imaginative escape.

### Accessible

Thoughtful design details make each piece easy to access.

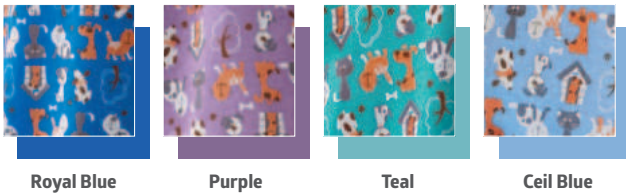

# Pet Parade Pediatric Apparel

100% polyester, flame-resistant fabric

## Cuddly care

Pet Parade features a comfy jersey knit fabric—just like your favorite t-shirt—with a parade of furry dog and cat friends throughout.

- Designed with a long length to promote patient privacy, with matching solid pants to enhance sizing flexibility
- Looks cute and performs tough; stands up to repeated industrial laundering
- Each size is color-coded for easy, more efficient sorting
- Plastic snap closure at the neck and tie closure at mid-back
