

Sureprep® Adhesive Remover Spray

The no-sting, gentle way to remove dressings and bandages.

Dressings and bandages are critical for protecting and healing wounds, but removing them can irritate and even tear your patients' skin. **Sureprep® No-Sting Adhesive Remover Spray** is tested to minimize discomfort and ease removal of adhesive dressings and tapes.

- Removes adhesives from skin easier and with less discomfort*
- Can be sprayed from any angle
- No-sting, alcohol-free formula
- Dries within seconds
- No residue

Using Sureprep is as easy 1, 2, 3

- 1** Spray Sureprep around edges of the adhesive and wait a few seconds
- 2** Gently peel adhesive away from skin
- 3** Sureprep dries in seconds and leaves no residue. Once dry, it will not affect the adhesion of additional dressings
