Patient and resident grooming and hygiene accessories

# Help your patients and residents feel at home

**For patients and residents, leaving the comfort and security of their homes** to the unfamiliar surroundings of a healthcare facility can be stressful. Helping them feel clean and refreshed can improve the way they feel about themselves and their overall experience during their stay.

We can help your facility feel more like a home with the **most comprehensive offering of personal care essentials**—from hair and skin care to dental and nail care and much more. They're all available in brand names your patients and residents know and trust—and many items are offered in the Medline brand to help meet any budget need.

**Why partner with Medline?** As one of the country's largest healthcare supply companies, we may already be providing many of your medical products—and now we can deliver all your patient care essentials. Which means you can **get everything you need from one supply partner.**
