

Medline Remedy® Skincare

Care for Everyday and Every Level of Acuity

Better skincare products allow better management of the multitude of skincare challenges. As the industry-leader in skincare, Medline Remedy has the expertise to optimize care with products and systems designed to support ease of use within NPIAP guidelines.

The Right Products. The Right Steps.

CLEANSE

STEP 1: Green is for Cleansing

Gentle, effective cleansing in gel, foam, lotion and spray options that won't dry skin.

PROTECT

STEP 4: Orange is for Open Skin

Petrolatum and zinc oxide protection to help reduce damage from wetness.

MOISTURIZE

STEP 2: Purple is for Proper Moisturization

Rich moisturizing formulas for everyday use, as well as higher levels of acuity.

TREAT

STEP 5: Red is for Rash

2% Miconazole Nitrate in ointment or powder for control of common fungal infections.

GUARD

STEP 3: Blue is for Barrier Before Breakdown

Smooth, breathable dimethicone barriers for sensitive, irritated and at-risk skin.

Industry Leading Quality
