

# FitRight® Dry Wipes and Medline Remedy® Cleansers

Your customizable cleansing combo

## One gentle wipe to use many ways

Cleansing is essential in helping provide quality skin care. And while wet wipes may be an easy option, their one-size-fits-all formulation may not be right for your residents' skin. Simply add any Remedy cleanser to our soft, versatile dry wipe for the perfect cleansing solution.

## A simple way to keep skin clean and healthy

### STEP 1 Pull wipe

Take a single wipe from special interfolded packaging which easily dispenses one wipe at a time.

### STEP 2 Apply cleanser

Soft wipes make cleanser application easy and gentle on sensitive skin.

### STEP 3 Target key areas

Comfortably cleanse the whole body or target areas in need of cleansing.

The right combination for gentle cleansing

# Choose your own

Use with your choice of cleansers for the full body cleansing, incontinence, surface cleaning and more.

## FitRight® Dry Wipes

- Save time and reduce waste with interfolded single-wipe dispensing.
- Soft-spun fabric is softer than typical reusable cloths.
- Disposable, nonflushable dry wipes help improve hygiene and won't dry out like premoistened wet wipes

Item No.	Description	Pkg.
FRDW263854	FitRight Dry Wipes, 8" x 8", 100 sheets	12 pk/cs

## Medline Remedy® Cleansers

- Gentle cleansers are hypoallergenic and pH-balanced.
- Sulfate-free cleansers won't dry out skin or strip it of natural oils.
- Can be used on sensitive skin for cleansing from neonates to geriatric residents.
