Your all-in-one source

**Ordering  
made easy**

# Simplify supply ordering

Every day you're challenged to manage your services efficiently while also delivering the best care possible.

As one of the largest healthcare suppliers in the market, we offer a comprehensive line of products that makes blood collection easy.

Our high quality blood collection supplies help you optimize operational efficiency, simplify supply procurement and reduce costs so you can focus on patient care.

We can supply everything you need for every step: preparing the collection site, performing the blood draw and protecting the wound. All products have top-of-the-line safety features and unique qualities that help minimize infection.
