

MedSoft Vinyl Pillow

Fluid-resistant, reusable and easy to wipe clean

Hospitals and PAC facilities benefit from reusable pillows by reducing waste without compromising infection prevention.

MedSoft Pillows resist fluids and are easy to wipe clean for infection prevention, helping reduce the financial and environmental waste of disposable pillows. They also feature excellent loft and soft vinyl ticking fabric for lasting comfort.

Advantages

- Soft vinyl ticking is fluid-resistant and gentle on skin
- Vacuum-packed with 80% compression, resulting in more efficient shipping and storage (Allow 4 hours for full expansion)
- Compact and durable
- Available in white in two sizes — 18" x 24" and 20" x 26"

Item No.	Description	Pkg.
MDT219683	White 20" x 26" Medsoft Pillow	12 ea/cs
MDT219684	White 18" x 24" Medsoft Pillow	20 ea/cs
