Scrub ordering made simple

Color-coding and ordering for OR scrubs

Color-coded necklines and waist ties make sorting sizes a breeze in the laundry or grabbing the size you need from the laundry cart.

When ordering scrubs, be sure to include the following parts to complete each item number: **style number, color and size**.

What's Color by Discipline?

We've implemented more than 600 Color-by-Discipline (CD) programs (and counting).

CD is a popular uniform code that helps patients, families and other staff quickly identify an employee's role by the color they're wearing.

You can assign any color to any role, but here are some of the most common color combos.

| |
|-------------------------------|
| RNs & LPNs—Navy (or White) |
| CNAs—Wine |
| Radiology—Charcoal Gray |
| Physical Therapy—Black |
| Respiratory Therapy—Ceil Blue |
| Lab—Caribbean Blue |
| Pharmacy—Rich Purple |

Take control of your scrubs with ScrubTrak

ScrubTrak is an automated system that dispenses scrubs and tracks inventory so you don't have to.

Reduce scrub loss

Reduce inventory shrinkage by up to 90% and laundering costs by 35%.¹

Increase productivity

Similar to a vending machine, ScrubTrak is easy to use so staff can focus on delivering care, not what to wear.

Boost infection control and compliance

Comply with AORN's recommendation for laundering healthcare textiles to avoid the spread of infectious bacteria.

Small Footprint. Each ScrubTrak unit measures 78" high x 38.75" wide x 23.25" deep.

High Capacity
ScrubTrak's host dispenser holds 128 pcs. Add our optional satellite dispenser unit to increase capacity to 256 pcs or 128 sets. Return Unit holds 256pc.

Rapid Return. Up to two soiled scrubs can be returned at the same time with one badge swipe.

No Pairing Needed.
Flexible and Rapid Dispensing. ScrubTrak dispenses clean scrubs in seconds with mix-and-match sizing options.

Low Maintenance.
Simply fold and stow the items to be dispensed.

CabiNet RFID Machines

Take back control of assets while reducing inventory costs.

Reduce linen loss

Help staff and vendors track scrubs, linens, gowns, lab coats, towels, mops and more.

Track item to individual users

Check usage, adjust credits and add users all in one platform.

Intelligent system

Stock levels viewed Online with automated alerts.

High Capacity. Holds up to 350 scrubs fitted with RFID Chips.

Low Maintenance. Fast to re-stock and load, no pairing necessary.

Convenient Usage. Easy to use, no size entry required.

Easy Access. Two sliding doors open with shelves.

Flexible Organization. Dispenser and Return Unit can be placed separately.

Small Footprint. Each CabiNet unit measures 6.5"H x 4"W x 2'D

Note: Installation & Training fees will be charged separately and vary depending on configuration. Warranty solutions also available upon request.
