To Whom It May Concern:

You have requested information regarding the Metrex product MetriTest Glutaraldehyde Monitor.

Please be advised that the MetriTest 1.5% and 1.8% glutaraldehyde monitors are categorized, in OSHA section 29 CFR 1910.1200(b), as an article therefore no MSDS is required.

OSHA defines an article as "a manufactured item other than a fluid or particle: (i) which is formed to a specific shape or design during manufacture; (ii) which has end use functions(s) dependent in whole or in part upon its shape or design during end use; and (iii) which under normal conditions of use does not release more than very small quantities, e.g., minute or trace amounts of a hazardous chemical... and does not pose a physical hazard or health risk to employees".

If we can be of further assistance to you please contact us.

Sincerely,

Maria Puga
Metrex Customer Care Specialist
