

Medline Remedy® Clinical Silicone Cream

Remedy Clinical Silicone Cream uses proven ingredients enhanced with the Remedy Nutrient Complex to provide a breathable film that resists the damaging effects of moisture.

Silicone Cream

- Silicone-rich formulation creates a breathable film over skin as it moisturizes and nourishes; 24% silicone blend helps resist moisture loss
- Appropriate for perineal care as it protects against incontinent episodes
- Gentle enough for use on the most fragile skin, suitable for pediatrics and geriatrics
- For use after every incontinent episode

Enriched with Remedy
Nutrient Complex

CARS Recommendations*

Skin film products are recommended when moisture, microclimate, friction and shear are contributing factors to at-risk skin.

CHG compatible
Hypoallergenic
Paraben-free
Pediatrician tested

*The Coalition for At-Risk Skin (CARS) is an independent group of skin care experts assembled to develop consensus, standardized industry guidelines.
