

# 45 Seconds to freedom Men's Liberty™ Acute

## Infection Prevention

Protect skin. Prevent CAUTI.

The Men's Liberty Acute catheter is the only proven Foley alternative for men. It's a completely external, non-invasive solution to male urinary incontinence delivering superior performance, leak protection and patient comfort.

### Designed for better outcomes

#### Gentler on skin

Leak-proof design keeps patients dry while proprietary hydrocolloid adhesive provides a strong, gentle adhesion with no shaving required.

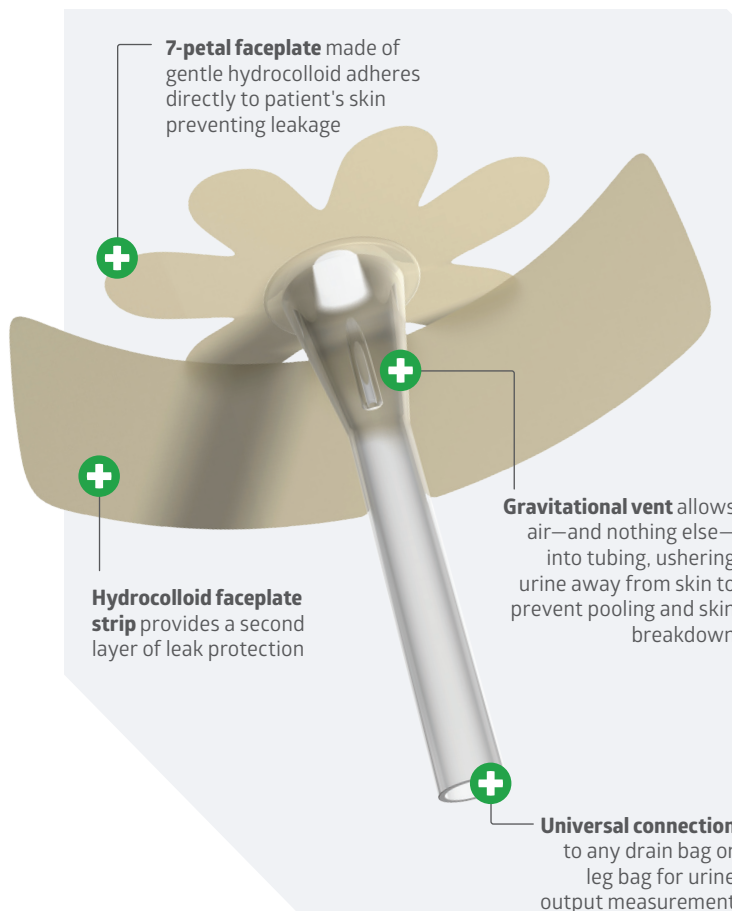

#### Reduce CAUTI risk

In a recent study, Men's Liberty Acute decreased Foley catheter use by 19.2% with no CAUTI occurrences.<sup>2</sup>

#### Better patient experience

Comfortable, secure, one size fits most design preserves patient dignity. No suction required, patients have freedom of movement.
