Customizable Kits

Create branded memories to last a lifetime

New parents hope their birthing experience will go smoothly and be extraordinarily memorable. That makes it the perfect time to go the extra mile with custom branded care kits. They're the perfect way to make a lasting impression on families—and everyone who sees all those new baby photos.

Tell us what you want, we'll do the rest.

Add or swap out items with the entire catalog of Medline products. These are some of our most popular options.

New mom kit options

You can add or swap out contents with an array of Medline products, including items that help promote and support breastfeeding. Here are just a few examples:

Newborn welcome kit options

You can add or substitute contents. Here are a few suggestions:

Design options

These adorable motifs can be easily customized with your brand assets. And if you want to use your one-of-a-kind design, we can do that too!
