

# Post-surgical compression bras

Better comfort and support

## CURAD Post-Surgical Compression Bra

Made from a comfortable, soft-touch bamboo fabric, our CURAD compression bra is our most eco-friendly option.

- Can be used as a post-mastectomy bra or post-op bra for chest surgeries
- Design provides easy access to the surgical site for inspection and dressing changes and does not restrict wearer's range of motion
- Removable pouches with hook-and-loop straps accommodate drains or pain pumps
- Wide elastic waistband offers maximum support, security and coverage, and wide side panels cover and protect incisions
