

## Glove box holder

McKesson glove box holders are ideal for use in medical, lab and food prep areas or anywhere convenient glove dispensing is required. Available in three sizes to accommodate up to three glove boxes, these holders are easy to load and can be mounted vertically or horizontally on a variety of surfaces. Designed to fit the majority of glove boxes on the market, McKesson glove box holders provide quick access to gloves and the clear plastic enables you to rapidly identify the correct glove type and size.

### Features and benefits

- Clear plastic adds durability and easily allows user to distinguish glove type
- Horizontal or vertical mounting
- Mounting hardware and instructions included, easy to install
- Fits most glove boxes
- Not made with natural rubber latex
