

Knee Immobilizer

McKesson offers a line of high-quality soft goods for orthopedic treatment and rehabilitation. Our products provide comfort and security for patients recovering from orthopedic surgeries, injuries or accidents. Soft and comfortable to wear, they are designed to achieve an anatomically correct fit. The line includes shoulder and knee immobilizers, arm slings, wrist and forearm splints, and more. McKesson provides a combination of quality, integrity and value in every product for orthopedic treatment.

Features and Benefits

- Ideal orthopedic solution for immobilization of the knee joint
- Adjustable medial/lateral stays and rigid posterior stay provide stability
- Dual contoured, i-beam posterior stays and moveable medial/lateral double stay casings for correct fit
- Elastic contact closure straps allow for easy application, adjustment and proper fit
- Foam laminate construction with wide, 3-inch, elastic contact closure straps provides enhanced compressive support and immobilization
- Soft, breathable foam helps keep patients cool to provide comfort during extended use
- Wraparound design for easier application and adjustable fit
- Individually packaged for retail use
- Not made with natural rubber latex
