

Face Shields

McKesson face shields provide lightweight splash and anti-fog protection for procedures where exposure to blood and/or body fluids is possible. They are made with a vented solid foam headband for increased airflow and comfort. McKesson face shields can be worn with or without glasses or goggles.

Features and Benefits

- Treated with anti-fog and anti-static coating
- Splash protection eye wear
- Splash guard only safety shield
- Includes a latex-free foam band for comfortable extended wear with elastic straps
- Clear with full peripheral vision
- Fits over glasses or goggles
- Individually bagged
- Non-sterile
- Not made with natural rubber latex
