

## Arm Sling

McKesson arm slings are used for cast support or on an otherwise injured arm, shoulder, wrist, or hand. They feature a generously sized envelope to support the arm, and a shoulder strap and clip buckle closure for improved control and fit. Arm slings are available in several sizes, including a universal size.

### Features and Benefits

#### Arm Slings

- Comfortable cotton/polyester material
- Web shoulder strap with clip buckle fastener provides an easy one-handed adjustment solution
- Unisex and compatible for use on left or right arm
- Feature a generously sized envelope to support the arm, and a shoulder strap and clip buckle closure for improved control and fit
- Reusable design allows users to hand wash with warm water and mild soap to maintain hygiene during extended time of recovery
- Not made with natural rubber latex
