

## Waste cans

McKesson waste cans are the solution for sanitary waste disposal in restrooms, exam rooms, and front office areas. Rectangular waste cans feature a convenient step-on foot pedal that opens the lid, promoting hands-free operation and reducing the risk of contamination. Available in three colors – red, white, and beige – these waste cans can seamlessly blend into any environment. Each can includes an optional biohazard decal for transparent and compliant waste segregation for medical and laboratory settings.

### Features and benefits
