

Orthotic insoles

McKesson orthotic insoles are designed with a full length polyurethane foam layer that provides comfort and helps absorb shock to reduce stress on the feet, ankles, joints and tendons. The polyester top fabric also helps reduce friction and resist odor. McKesson insoles provide relief from over-pronation, plantar fasciitis/heel pain, foot and arch pain, ankle and knee pain.

Features and benefits

- Polyester top fabric helps reduce friction and resist odor
- Contoured polypropylene layer helps support the heel and arch and provide stability
- Unisex soles fit men's and women's shoe sizes, see ordering information chart for details
- Dual PORON® cushioning disks provide extra heel padding
- EVA (ethylene vinyl acetate) foam base helps prevent shifting and adds durability
- Moveable from shoe to shoe with no trimming required, full-length insoles replace original shoe insoles for enhanced comfort and support
- Indications: over-pronation, plantar fasciitis/heel pain, foot and arch pain, ankle and knee pain
- Cleaning and care: wipe with a damp cloth, do not submerge in water, air dry
- Fits athletic, dress and casual shoes
- Not made with natural rubber latex

* PORON is a registered trademark of Rogers Corporation.
