

Instrument lubricant and rust inhibitor

McKesson instrument lubricant and rust inhibitor lubricates the instrument while also inhibiting corrosion. This non-mineral oil, non-silicone formula meets the AAMI ST79 Section 7.5.6 cleaning of instruments standard for instrumentation lubricants. This product helps prevent instrument spotting, rusting and staining. It also helps reduce instrument freeze-up by keeping hinges working freely.

Features and benefits

- For use with medical instruments and equipment
- Lubricates the instrument while also inhibiting corrosion
- Prevents instrument spotting, rusting, and staining
- Helps reduce instrument freeze-up by keeping hinges working freely
- Volume: 1 gallon (3.785 L)
