PRIVACY SOLUTIONS

Disposable Privacy Curtains

An ideal solution for facilities that need to change privacy curtains frequently to mitigate HAIs or reduce laundering needs for cost or environmental reasons. Covoc Disposable Privacy Curtains are a cost-effective alternative to standard washable privacy curtains.

Key Benefits

- Save time by quickly changing a single panel with side snaps & snap mesh heading
- Reduce costs by eliminating the need to launder privacy curtains
- Keep track of when to change curtains with optional adhesive timers
- Keep curtains tidy when not in use with sewn-on tie bands
