

Eye shields

McKesson eye shields feature wrap-around disposable lenses and UltraClear™ technology, which reduces glare, fog, and static. The frame fits snugly to provide splash protection, and sealed lens mounting helps with fluid protection. The design includes a clip-on/off feature for lens changes and a colored top strip to avoid fingerprints.

Features and benefits

- Wrap-around disposable lens for complete protection
- UltraClear™ technology helps prevent glare, fog, and static
- Frame fits completely against the forehead for splash protection from above
- Sealed lens mounting for added fluid protection
- Clip-on/off design for quick and easy changing
- Colored top strip allows finger-print-free handling
- Not made with natural rubber latex
