

## Denture Cleanser and Brush

McKesson denture cleanser is a freshly scented cleansing tablet used to help keep dentures clean and bright by removing tough stains and destroying up to 99.9% of odor causing bacteria in a single application. McKesson denture brush has two headed bristles; one side has staggered bristles covering the full head of the brush and the other side has contoured, longer bristles for reaching hard-to-clean areas. The brush is 4 1/4" long with a green handle.
