

Deluxe Mobile Workstation

The McKesson Deluxe Mobile Workstation enhances phlebotomy workflows by keeping essential tools organized, improving ergonomics with adjustable height, and reducing strain during transport. Its compact design fits easily into tight spaces, while smooth-rolling casters ensure quiet, effortless mobility. With included accessories and a layout tailored to blood draw tasks, it arrives ready to support efficiency from the start.

Grab and Go with Ease

Built-in handle with a comfortable grip makes transport smooth, secure, and effortless

Two Tasks, One Surface

Separate spaces for tray placement and prep keep your workflow focused and efficient

Effortless Height Control

Quickly adjust to the ideal working height with a simple twist – no tools, no hassle

Everything You Need, Already Onboard

Includes a phlebotomy tray with tube rack, sharps container with bracket, storage bin with bracket, document holder, and tape holder

Smooth Moves, Steady Control

3-inch single-wheel casters with dual bearings roll easily and track straight, even when fully loaded
