

LiquiBand® Flow Control Topical Skin Adhesive

McKesson LiquiBand® closes incisions that are clean, fresh, and where the edges are close and easily aligned. Clinicians from around the world provided input on the development of the winged applicator. It provides smooth and controlled expression of the product. The clear dome lets users see how much adhesive is available. The precision tip provides safe and rapid wound closure for scalp lacerations. It works effectively in areas of dense hair growth. This skin adhesive delivers fast, safe closure and provides excellent cosmetic outcomes.

Features and Benefits

- 0.5 g per applicator
- Sets in 30 seconds
- Requires only one layer
- No need for removal
