

Gentle in Every Little Way

# Delicate Care

Compared to healthy adults, pediatric skin is thinner, loses water faster & often exhibits a high level of sensitivity.\*

Remedy Baby products are specially crafted and pediatrician tested to help manage these important differences.

## Baby Shampoo & Body Wash

- > All over cleansing without drying skin and hair

## Baby Lotion

- > Moisturizes, softens and soothes babies' sensitive skin

Light & fresh, clean linen scent (also available in unscented)

# Soothe & Nourish

The Medline Remedy® system contains a full range of other products for quality pediatric care. Remedy Hydraguard® Silicone Cream and Z-Guard® Paste, in particular, provide excellent qualities for managing moisture-related issues.

## HYDRAGUARD® SILICONE CREAM

- > Appropriate for perineal care since it forms a breathable film over skin

## PROTECTANT Z-GUARD® PASTE

- > Protects minor skin irritation associated with diaper rash

Gentle enough  
for use on the  
most fragile skin

As the leader in skincare for medical facilities nationwide, Remedy has vast experience dealing with skin issues for all ages and levels of acuity. Remedy specialists constantly monitor changing guidelines while working with researchers, facilities and caregivers to evaluate and refine both our product formulations and their usage. It's this dedication to quality that makes Remedy Baby products the new standard in pediatric care.
