

MATERIAL SAFETY DATA SHEET

1. Company Name: Acuten

1.1 Trade Name: Kanjo Natural Pain Relief Oil

1.2 Company: CA BOTANA INTERNATIONAL INC.

1.3 Address: 9365 Waples Street, Ste A, San Diego, CA 92121

1.4 Office Telephone: 858-450-1717 and FAX 858-450-0610

2. Composition: Capsaicin 0.15% Topical Analgesic, Other Ingredients: Caprylic/ Capric Tryglyceride, Chamomilla recutita (Chamomile) CO2 Flower Extract, Citrus bergamia (Bergamot) Oil, Commiphora, a mukul (Guggul) CO2 Gum Resin Extract, Curcuma, Xanthorrhiza (Curcumine) CO2 Extract, Eucaliptus globulus (Eucaliptus) oil, Humulus lupulus (Hops) CO2 Flower Extract, Lavandula officinalis (Lavender) Oil, Melaleuca alternifolia (Tea tree) Oil, Pelargonium graveolens (Geranium) Oil, Rosmarinus officinalis (Rosemary) CO2 Leaf Extract, Sage triloba fruticosa (Sage) CO2 Leaf Extract, Vitis vinifera (Grape) Seed Oil

3. Possible Hazards: Non-hazardous

4. First Aid Measures:

4.1 If irritation occurs, consult your professional

4.2 Avoid direct application into eye. If contact with eye is made, flush with plenty of cool water.

4.3 Accidental ingestion by children: Do not induce vomiting, seek professional medical attention.

5. Fire Fighting Measures: N/A

5.1 Special Hazards: N/A

5.2 Special Protective Equipment: N/A

6. Accidental Release Measures:

- 6.1 Personal precautions: None known
- 6.2 Environmental precautions: None known
- 6.3 Methods of cleaning if spilled: Neutralization not required. Clean up and dispose as with any oil-water material

7. Handling and Storage

- 7.1 Handling advice: Normal handling and storage in cool and sterile condition is strongly suggested
- 7.2 Storage conditions: Keep containers closed until the product is used. To maintain product quality, do not store in hot areas or expose to direct sunlight

8. Exposure controls and personal protection:

- 8.1 Personal protective equipment: N/A
- 8.2 General Safety and hygiene measures: Common sense handling precautions and storage consistent with good practices should be followed

9. Physical and chemical properties:

- 9.1 Physical form: Oil
- 9.2 Odor: Characteristic
- 9.3 Solubility: Slightly dispersible in water
- 9.4 Boiling Point: N/A
- 9.5 Flash Point: N/A

10. Stability and Reactivity:

- 10.1 Avoid extended periods of heating or freezing
- 10.2 Avoid direct sunlight exposure over a prolonged period of time

11. Toxicological Information:

- 11.1 Toxicity: Not considered a toxic substance

12. Ecological Information:

12.1 Degradability: Partially Biodegradable

13. Disposal

13.1 Product: Dispose of in conformance with applicable laws and regulations.

13.2 Container: Dispose of in conformance with applicable laws and regulations.

14. Transport Information: This product is not bound to the transport regulations.

15. Regulatory Information: Not subject to hazard symbol.

16. Other information:

16.1 OTC product (Over the counter) for external application only.
