## Safety Data Sheet

### SECTION 1. Product and Company Identification

**Product Identifiers:** DynaDerm,  
Dynarex Reorder # 3014, 3015, 3016, 3017, 3018, 3019, 3020

**Other means of identification:** Hydrocolloid Dressing, Thin, Sacral, Extra Thin (3014-15-16-17-18-19); Hydrocolloid Foam (3020)

**Recommended use of the chemical** *Wound Dressing:*  
*Used on non-infected wounds such as ulcers;*  
INSTRUCTIONS FOR USE  
1. Remove backing paper from dressing.  
2. Apply dressing gently to wound area and hold in place for several seconds to improve adhesion.  
3. (OPTIONAL) If necessary, border with adhesive tape.

**And restrictions on use** Sterile unless opened or damaged.

**Name of the Manufacturer:** Dynarex Corporation

**Manufacturer's Address:** 10 Glenshaw Street  
Orangeburg, NY 10962

**Emergency Phone No.:** Toll Free: 1-888-DYNAREX  
Phone: (845) 365-8200  
Fax: (845) 365-8201  
At other times, contact the local Poison Control Center

## **SECTION 2. Hazards Identification**

This product is NOT classified as a hazardous chemical according to the Model Work Health and Safety Regulations, 2011.

This product is an article and is not regulated by the Model Work Health and Safety Regulations (2011) because, it is not classified as hazardous. When used as recommended or under ordinary conditions, it should not present a health and safety hazard. However, use or processing of the product not in accordance with the product's recommendations or not under ordinary conditions may affect the performance of the product and may present potential health and safety hazards.

Refer to Section 14 of this Safety Data Sheets for product Dangerous Goods Classification.

### **2.1. Classification of the substance or mixture**

This product is exempt from hazard classification according to the Model Work Health and Safety Regulations, 2011.

### **2.2. Label elements**

#### **Signal word**

Not applicable.

#### **Symbols**

Not applicable.

#### **Pictograms**

Not applicable.

### **2.3. Other assigned/identified product hazards**

None known.

### **2.4. Other hazards which do not result in classification**

None known.

### **SECTION 3. Composition/Information on Ingredients**

Component Name:	CAS#/Codes	Concentration:	Classification:
Hydrocolloid Adhesive	n/a	80-90%	None
Paper Protective Backing	none	8-15%	n/a
Polyurethane Backing	none	2-5%	n/a

### **SECTION 4. First Aid Measures**

**Eyes:** No need for First Aid is expected.

**Skin:** This product is intended to be in contact with skin when used as directed. No need for First Aid is expected.

**Ingestion:** No need for First Aid is expected.

**Inhalation:** No need for First Aid is expected.

### **SECTION 5. Fire Fighting Measures**

**General information:** Ordinary combustible material – will not self-ignite.

**Extinguishing Media:** Water spray, carbon dioxide, dry chemical powder or foam.

**Hazardous combustion products:** Refer to Section 10.

**Unusual Fire or Explosion Hazards:** No unusual fire or explosion hazards are anticipated.

**Protective Equipment for Fire-Fighting:** Wear full protective clothing and self-contained breathing apparatus.

### **SECTION 6. Accidental Release Measures**

No specific measures necessary.

### **SECTION 7. Handling and Storage**

Store in a cool, dry, well-ventilated location (<77°F/25°C)

Corporate Headquarters  
10 Glenshaw Street, Orangeburg, NY 10962

## **SECTION 8. Exposure Controls/Personal Protection**

### **Occupational Exposure Standards**

None

## **SECTION 9. Physical and Chemical Properties**

Physical State: Solid adhesive material	Color: off-white/beige
Odor: none	pH: neutral
Boiling Point: n/a	Melting Point: n/a
Flash Point: n/a	Auto-flammability: above n/a
Explosion Limits: n/a	Vapor Pressure: n/a
Solubility in Water: nil	Density: n/a

## **SECTION 10. Stability and Reactivity**

### **Stability**

Stable under normal store conditions.

### **Conditions to Avoid**

None known

### **Materials to Avoid**

None known.

### **Hazardous Polymerization**

Will not occur.

## **SECTION 11. Toxicological Information**

The results of hemolysis, cytotoxicity, acute systemic toxicity and skin irritation studies as listed below, carried out on sterilized product, do not provide any evidence that the product is toxic. Likewise, the product does not cause contact sensitization on repeated application.

Hemolysis: US National Formulary XIV

Cytotoxicity: ISO 10993 – Part 5

Acute Systemic toxicity: ISO 10993 – Part 11

Skin Irritation: ISO 10993 – Part 10

Contact sensitization: ISO 10993 – Part 10

### **Chronic Toxicity/Carcinogenicity**

This product is not expected to cause long term adverse health effects.

### **Genotoxicity**

This product is not expected to cause any mutagenic effects.

### **Reproductive/Developmental Toxicity**

This product is not expected to cause adverse reproductive effects.

## **SECTION 12. Ecological Information**

**Mobility** No relevant studies identified.

**Persistence/Degradability** This product is readily biodegradable.

**Bio-accumulation** No relevant studies identified.

**Ecotoxicity** No relevant studies identified. Based on toxicity data no ecotoxicological effects are expected.

## **SECTION 13. Disposal Considerations**

Dispose of in accordance with all applicable local and national regulations. Clean packaging materials can be recycled.
