

AgaMatrix

Safety Data Sheet

Section 1: Identification

Product Name: AgaMatrix meter
Synonyms: N/A
CAS Number: N/A
Product Use: Diabetes Care
Manufacturer/Supplier: AgaMatrix, Inc.
Address: 7C Raymond Ave, Salem, NH 03079

General Information: 603-328-6000
Transportation Emergency Number: 603-328-6000

Section 2: Hazard(s) Identification

The batteries referenced herein are exempt articles and are not subject to the OSHA Hazard Communication Standard requirement. This sheet is provided as a service to our customers.

Emergency Overview

All information within the MSDS is based on hazards of the lithium battery that is either installed with the meter or shipped with the meter. The risk exposure occurs only if the battery is mechanically or electrically abused. Most likely risk is an acute exposure when the gas release vent works. Organic solvent released has slight toxicity and can irritate skin and eyes. Lithium salt is irritating to skin, eyes, and mucous membranes and should be avoided. All information is based on manufacturer information.(1)(2)**Special Definitions:** A=Allergen CA=Carcinogen CO=Corrosive F=Flammable H=Harmful I=Irritant Ox=Oxidizer PB=Potential Biohazard R=Re=Reproductive S=Sensitizer T=Toxic T+=Highly Toxic W=Water Reactive

NFPA Ratings:	Health= 0 Flammability= 0 Reactivity= 0
Principle routes of exposure:	Ingestion, inhalation, skin and/or eye contact
Inhalation:	May cause irritation of respiratory tract
Ingestion:	Harmful if swallowed. Ingesting of batteries, strips or other solids may cause choking
Skin contact:	Avoid contact with skin, may cause irritation.
Eye contact:	Avoid contact with eyes, may cause irritation
Sensitization or Odor threshold:	The following chemical(s) may cause sensitization, be absorbed via skin, and/or has an odor threshold for detection
Medical conditions aggravated by exposure:	None Known
Additional information:	None

Section 3: Composition/Information on Ingredients

Description 1: Lithium battery (CR Type coin battery) (<0.5 grams lithium content) installed with meter or packaged with meter.

Description 2: All other components of this product:

Component	CAS Number	Weight %
No Hazardous components >1%	NONE	<0.1%
<0.1% carcinogen		
(See Section 8 for Exposure Limits)		

Section 4: First-Aid Measures

Inhalation: Consult a physician. Move to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen.

Skin contact: Rinse with plenty of water. If skin irritation persists, call a physician. Remove and wash contaminated clothing before re-use.

Ingestion: Consult a physician. Do not induce vomiting without medical advice

Eye contact: In the case of contact with eyes, rinse immediately with plenty of water and seek medical advice

Notes to physician: None determined

Section 5: Fire-Fighting Measures

Suitable Extinguishing Media: Use dry chemical, CO₂, water spray or 'alcohol' foam

Fire Fighting Procedures: Wear self contained breathing apparatus for firefighting if necessary

Unusual Fire and Explosion Hazards: Batteries may explode or cause burns if disassembled, crushed, or exposed to fire or high temperatures. Do not short or install with incorrect polarity.

Combustion Products: Irritating or toxic substances may be emitted upon thermal decomposition. Thermal decomposition products may include oxides of carbon and nitrogen

Section 6: Accidental Release Measures

Personal precautions: Use personal protective equipment. Evacuate personnel to safe areas.

Environmental precautions: Prevent further leakage or spillage if safe to do so. Prevent product from entering drains.

Methods for cleaning up: Never return spills in original containers for re-use. Sweep up or vacuum (if powder) or soak up with inert absorbent material (if liquid), then place into a suitable clean, dry, closed container, and label for disposal.

Section 7: Handling and Storage

Handling: Avoid mechanical or electrical abuse.

Keep away from heat and flame. Keep operating temperatures below ignition temperatures at all times. Use non-sparking tools.

Storage: No special precautions required.

Section 8: Exposure Controls/Personal Protection

Engineering Controls: N/A

Personal Protective Equipment (PPE)

Eye Protection: Wear appropriate eye protection to prevent eye contact

Skin Protection: Wear appropriate body protection to prevent skin contact

Respiratory Protection: Respiratory protection is not required under normal use of this product. If respiratory protection is needed, follow the OSHA regulations, 29CFR1910.134. Always use a NIOSH approved respirator when necessary.

Hand protection: Wear appropriate protective gloves to prevent skin contact. Replace torn or punctured gloves promptly

Section 9: Physical and Chemical Properties

Physical state: Solid

Section 10: Stability and Reactivity

Stability/Incompatibility: Stable under recommended storage conditions

Hazardous Reactions/Decomposition Products: N/A

Materials to avoid: Do not heat, disassemble, or overcharge

Section 11: Toxicological Information

Description 1: Lithium battery (contains <0.5 grams lithium content) installed with meter or packaged with meter.

Inhalation: No additional data available

Skin: No additional data available

Oral: No additional data available

Mutagenic effects: No additional data available

Reproductive toxicity: No data is available on the product itself

Carcinogenic effects: No data is available on the product itself

Section 12: Ecological Information* (non-mandatory)

Bioaccumulation: No data available

Product number: Not applicable

Product name: AgaMatrix meter

Aquatic toxicity: Not applicable

Ecotoxicity effects: No data is available on the product itself

Section 13: Disposal Considerations* (non-mandatory)

Waste disposal must be in accordance with appropriate Federal, State, and local regulations. This product, if unaltered by use, may be disposed of by treatment at a permitted facility or as advised by your local hazardous waste regulatory authority. Residue from fires extinguished with this material may be hazardous.

Section 14: Transport Information* (non-mandatory)

This product is not hazardous to ship. Any lithium battery is shipped with or installed in a meter. Any lithium battery shipped with this meter meets Special Provision A45 for IATA and is not regulated by DOT.

U.S. Department of Transportation (DOT)

Proper Shipping Name: N/A

Hazard Class: N/A

UN/NA Number: N/A

Packing Group: N/A

Labels Required: N/A

International Maritime Organization (IMDG)

Proper Shipping Name: N/A

Hazard Class: N/A

UN/NA Number: N/A

Packing Group: N/A

Labels Required: N/A

Section 15: Regulatory Information* (non-mandatory)

U.S. Federal Regulations:

U.S. CERCLA/SARA/TSCA Regulatory Information: The following chemicals are listed under the following TSCA/SARA/CERCLA lists. Refer to TSCA regulation if you need a definition for acronyms that may be shown in the TSCA Inventory field in the table below

U.S. Clean Water Act (CWA)/ California The following chemicals are listed under the CWA and/or California Proposition 65

Canadian Regulations:

Canada DSL Inventory List This product does not comply with DSL

Canada NDSL Inventory List This product does not comply with NDSL

Section 16: Other Information

Reason for revision: New SDS format
