

# FOAMING ACID CLEANER

THREE LAKES DRIVE, NORTHFIELD, IL 60093 • 800.633.5463 • MEDLINE.COM

A fast-acting, heavy-duty, bio-based, non-abrasive cleaner that quickly dissolves and emulsifies lime, soap scum, oil, grease and mineral deposits. The multi-surface, water-based, bleach-free formula rejuvenates restrooms while leaving surfaces sparkling clean and eliminates odors with its fresh lavender fragrance.

## DIRECTIONS:

- Hold trigger sprayer 6-12 inches from surface.
- Wipe clean with towel, cloth or wet sponge. For heavy soiled areas with heavy-duty hard water deposits, allow the product to rest for 5-10 minutes for improved results.
- Wipe surface with wet cloth if build up occurs.

EVSICHEM450A
