Re: Assigned Healthcare Common Procedural Coding System (HCPCS) Codes

Product: Excel Narrow Wheelchair Dual Axle
Xref #: 7969413

Model number: MDS806200N

Dear Mr. Derks:

It is our determination that the Medicare HCPCS codes to use to bill the four Durable Medical Equipment Medicare Administrative Contractors (DME MACs) for the product listed above are:

K0002 STANDARD HEMI (LOW SEAT) WHEELCHAIR

K0195 ELEVATING LEG RESTS, PAIR (FOR USE WITH CAPPED RENTAL WHEELCHAIR BASE)

E0990 WHEELCHAIR ACCESSORY, ELEVATING LEG REST, COMPLETE ASSEMBLY, EACH

This decision applies to the application that you submitted to us on March 17, 2009. If information submitted in that application has changed or were to change, it could impact our decision. Therefore, a new application would need to be submitted for HCPCS coding verification review.

The assignment of the HCPCS codes to this product is not an approval or endorsement of the product by Medicare or Noridian Administrative Services, LLC; nor does it imply or guarantee claim reimbursement or coverage. If you have questions about claim coverage or reimbursement, please contact the DME MAC for your jurisdiction.

If you disagree with this decision, you may request a reconsideration within 45 days of the date of this letter. To request a reconsideration, complete the Reconsideration Request form, which can be found on our PDAC Web site at www.dmepdac.com under the HCPCS Review tab. If your request for a reconsideration is made after the 45-day time frame, we will treat it as a coding verification review request and require a new application and documentation to support the request.

If you have any questions, please contact the Pricing, Data Analysis, and Coding (PDAC) Contact Center at the address listed above or by telephone at (877) 735-1326. The Contact Center is open Monday through Friday from 8:30 a.m. to 4 p.m. CT.

Sincerely,

Deb Kerlin, RN, BSN, CPC
