

CURAD[®]
WE HELP HEAL

FIRST AID SOLUTIONS
FOR A HEALTHY LIFESTYLE

CURAD[®] BRAND HERITAGE

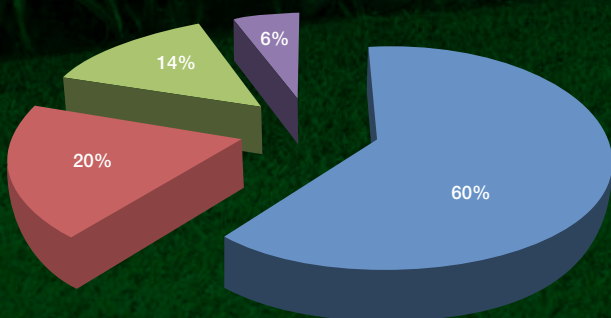

The CURAD brand traces its roots back to 1914, the same year World War I broke out. It's no surprise that wound dressings and gauze were in very high demand at the time, fueling the first aid business and giving Curad a strong foundation.

The CURAD name continues to be trusted by American families with an almost universal brand awareness of 80% among its target consumer base — women 18 years of age and older who are the head of household and have children aged 3 to 17.¹ CURAD also continues its longstanding position with consumers today as the “Ouchless” brand and beats its branded competitors on value, given its value proposition of price and comparable qualities.

As we embark on 100 years experience in the first aid market, new technologies and products continue to be introduced, strengthening CURAD's longstanding spirit of innovation.

- ✓ Needle-felted inner layer is easy to cut to fit a wound without linting

NON-STICK PADS

CURAD's growing line of non-stick pads have the broadest offering in the market. These versatile dressings are good for use on post surgical wounds, light bleeding, large surface cuts, scrapes and burns. Made of a soft, perforated mylar film bonded to a highly absorbent and breathable cotton/polyester blend pad. The ventilated film allows the wound to breathe while absorbing fluids. The pad can be cut or trimmed to fit most wounds.

FOR...

- ✓ Sensitive, fragile skin
- ✓ When frequent re-taping is required

A.

MEDICAL TAPES

Designed to provide optimal hold without irritating the skin. CURAD's complete tape line is guaranteed to meet everyone's needs.

GENTLE

Ouchless® Tape Perfect for hard to tape areas, delicate skin or when repeated taping is required. It holds dressings in place without adhesive that can damage, irritate or leave a sticky residue on skin. Made from a soft elastic material that sticks to itself, but not to skin, hair or dressings. (Available in two widths, 1" and 2")

Sensitive Skin Paper Tape Flexible, breathable tape for sensitive skin. It provides gentle adhesion for holding light dressings in place.

ALL PURPOSE

Cloth Tape Durable and multi-purpose. It provides strong adhesion to hold dressings and splints in place. Also used to stabilize and support fingers, toes and wrists.

Transparent Tape Breathable, perforated plastic tape that permits skin examination without tape removal. Provides a clean and easy bilateral tear for custom widths.

EXTRA STRENGTH

Sports Tape This strong cloth tape helps provide support for injuries. Also perfect for taping sporting equipment like bats and hockey sticks!

Waterproof Tape Has a strong adhesive that is durable and holds securely. Tape helps block moisture from penetrating the skin or dressing.

PROTECTIVE

Multi-Purpose Foam Wrap This multi-purpose layer is a comfortable layer against the skin when athletic tape is used. The foam wrap helps protect the skin from rubbing, cuts and blisters. Great for a variety of sports uses. Easy hand tear for wrapping on the go.

SPECIALTY ITEMS

SILVER SOLUTION™

CURAD Silver Solution is a highly effective antimicrobial gel with silver as the active ingredient. It is formulated to offer broad spectrum protection against bacteria and provide a long 'activity life' that lasts up to three days.

Silver Solution is a hydrogel that applies easily and absorbs thoroughly, leaving no greasy residue like petroleum-based ointments. Silver Solution is a non-stinging, non-staining barrier that helps hydrate the wound area for ideal wound management. Pair it with CURAD bandages to protect all of those cuts, scrapes and minor burns.

Silver Solution™ Antimicrobial Gel

0.5 oz (14.2g)
CUR45951N

You should begin to see results in one month. For best results, continue for three months or until desired results are achieved. *Individual results may vary.*

SCAR THERAPY™

Clinically tested more effective than Mederma® and silicone pads to improve the appearance of scar color, thickness, stiffness and irregularity.¹ Great for post-surgery, injury, burns and acne.

Scar Therapy Advanced Gel Strips provide healthy treatment from a synergistic blend of three key components of the barrier lipid including Omega-6 (Safflower Oil), Retinyl Palmitate (Vitamin A) and Tocopherol (Vitamin E) Acetate to hydrate and condition the skin. Strips are washable and reusable, dermatologist tested and silicone-free.

Scar Therapy™ Advanced Gel Strips

FIRST AID KITS

DID YOU KNOW?

First aid kits are leading the first aid growth trend with 12% dollar growth last year.

Source: AC Nielsen 3-16-13 FDM

COMPLETE

This 175-piece kit includes all of the first aid essentials. Its durable hard case keeps items organized. This economical kit is great for storing in your car, at the office, or in your boat.

CURFAK300 Components

- Antiseptic Cleansing Towelettes (10)
- Alcohol Swab (10)
- Sheer Medium Adhesive Pad (2" x 3") (4)
- Gauze Pad (2" x 2") (8)
- Extreme Hold Bandage (1" x 3") (10)
- Flexible Fabric Bandage (3/4" x 3") (30)
- Flexible Fabric Bandage (5/8" x 2-1/4") (20)
- Waterproof Bandages (3)
- Plastic Round Adhesive Bandage (7/8") (20)
- Flex Fabric Fingertip Adhesive Bandage (1-1/2" x 3") (10)
- Flex Fabric Knuckle Adhesive Bandage (1-1/2" x 3") (10)
- Butterfly Waterproof Adhesive Bandage (1-3/4" x 3/8") (20)
- Flexible Fabric Adhesive Bandage (XL 2" X 4") (3)
- Flexible Fabric Adhesive Bandage (1" x 3") (8)
- Waterproof Tape, (1/2" x 5yds) (1)
- Eye patch (1)
- Instant Cold Pack (1)
- Sample piece of Hold Tite Tubular Stretch Bandage (1)
- Vinyl Exam Gloves (2)
- Finger Splint (4.3" X 1") (1)
- Plastic Tweezer (1)
- Green Plastic Reusable Case (1)

COMPACT

This 75-piece kit comes in a zippered soft case, perfect for any size bag. It is reusable and refillable with room for the essential CURAD items. The compact kit also features a trial size of Curad Hold Tite™ Tubular Stretch Bandage, the tape alternative for hard-to-tape areas and sensitive skin.

CURFAK200 Components

- Antiseptic Cleansing Towelettes (6)
- Alcohol Swab (4)
- Flexible Fabric Bandage (1" x 3") (10)
- Flexible Fabric Bandage (¾" x 3") (15)
- Flexible Fabric Junior Bandage (⅝" x 2-¼") (15)
- Plastic Round Adhesive Bandage (7/8") (10)
- Gauze Pad (2" x 2") (8)
- Butterfly Adhesive Waterproof Bandage (1-¾" x ¾") (6)
- Sample piece of Hold Tite Tubular Stretch Bandage (1)
- Green Soft Reusable Case

MINI

The perfect size to take anywhere. Fits into any purse, backpack, gym bag or suitcase, with basic first aid items including: latex-free bandages, gauze pads and alcohol swabs. Ships in an inner tray pack with tear-away top for easy merchandising.

CURMINIFAK Components

- Alcohol Swabs (2)
- Gauze Pads (2" x 2") (2)
- Flex-Fabric Bandages (¾" x 3") (3)
- Flex-Fabric Junior Bandages (⅝" x 2-¼") (3)
