

A Low-Impact Form of Exercise that's Perfect for at Home Workouts

STANDS ON ITS OWN

SAFETY & CONVENIENCE

Extended handle easily moves free-standing pedaler to eliminate bending and prevent tripping

QUICK-ADJUST RESISTANCE

Rotate handle without bending over to increase or decrease tension

TRACKS PROGRESS

Electronic display tracks time, count, calorie and reps per minute

The HurryCycle® is a convenient exercise option for those who want to remain active while at home. The free-standing pedaler displays workout progress, and the extended handle with built-in tension adjuster prevents bending over for added safety.
