

EasySip®

This patented flexible cup bends and extends like a straw to make drinking easier for those who struggle with neck issues, limited range of motion, or difficulty sipping through a straw. To use, bend the cup at the desired angle, fill with beverage, then sip from the extended edge, opposite the indented edge.

Non-toxic. Free of BPA, chlorides & phthalates.

Top-rack dishwasher safe. Fully extend cup before putting in dishwasher to clean bellows. Can withstand dishwashers up to 240°F.

Safe for cool and room-temperature liquids.

Comfortable grip & measurement markings to track intake

Holds 10 fl. oz.

Bends & extends like a straw without tilting head
