

**Patented Unique Polymer Gel Structure**

## Reversible Design. Clinical Grade Pressure Redistribution.

Give customers clinically designed skin protection and provide enhanced comfort with a reduced risk of pressure injuries (E2622)—no pump required—with our **Drive DualEase™ Polymer Gel Cushion**. Ideal for individuals with limited seating tolerance, the Drive DualEase™ Polymer Gel Cushion features a patented unique polymer gel structure that cradles ischial tuberosities and the coccyx, effectively redistributing pressure while promoting airflow to keep users cool and dry. Made from hyperelastic polymer gel, the cushion helps absorb shock and vibrations. With two firmness options in one reversible design, it accommodates a wider range of patient needs while reducing inventory complexity.

Item #	Description	UPC	UOM
14991	16" x 16" x 2"	822383029573	1/ea, 4/cv
14992	18" x 16" x 2"	822383029580	1/ea, 4/cv
14993	20" x 16" x 2"	822383029597	1/ea, 4/cv

### Product Specs

Product Weight:	14991   14992   14993	5 lb.   5.7 lb.   6.4 lb.
Anti-Slip Feature		Non-Slip Bottom
Cushion Composition		Polymer Gel
Machine Washable Cover		<input checked="" type="checkbox"/>
Top Cover Fabric		Stretch Nylon
Antimicrobial		<input checked="" type="checkbox"/>
HPCS Code		E2622
Weight Capacity		300 lb.
Warranty		2 Years

### Helps Prevent and Treat Pressure Wounds

With a flexible, interconnected dual-layer structure, the cooling polymer gel and open-cell design cradles bony prominences while absorbing shifting forces to reduce shear and promote airflow, reducing heat and moisture and protecting skin integrity. The self-recovering design maintains its shape and pressure reducing properties over time.

### Streamlined Inventory

Enjoy the ease of reduced SKUs thanks to the dual-sided design providing two firmness options for varied patient needs. Available in 3 different widths (16", 18", and 20"), it's perfect for use with wheelchairs or anywhere!

### Skin Protection

Protect vulnerable skin from moisture and irritation with a nylon two-way stretch cover, which is removable, machine washable for easy cleaning, and replaceable.

### Go-Anywhere Design

Lightweight and easy to use on multiple seating surfaces with a stable, non-skid design—or take along for comfort on the go with two convenient carry handles.

### Builds Trust With Customers

Backed by a non-prorated 2-year warranty, our cushion features PreserveTech™ antimicrobial\* technology to help it stay cleaner and last longer. Replacement covers are available.
